

Een simpel groepsspelletje!  
Ieder kind krijgt zijn eigen strook en losse afdek kaartjes .  
De overige kaarten uitknippen, lamineren en door elkaar  
husselen.

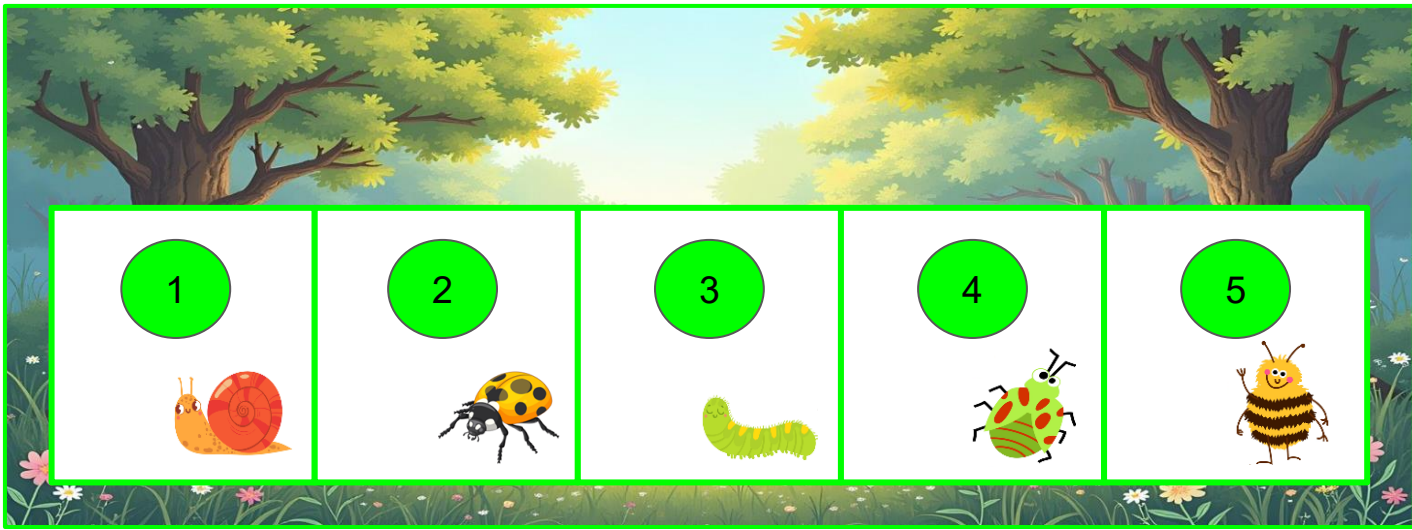

Maak er een grote stapel van.  
De eerste pakt een kaartje van tafel en legt een afdek kaartje  
op hetzelfde plaatje van zijn strook.  
Wie heeft als eerste zijn strook vol.  
Naast plaatjes kun je het ook spelen met alleen getallen.
